- concerns about the inadequate and outdated "remedy" identified in the Five Year Statutory Review for Parcel E/E2

2. West Oakland civil rights complaint against the Port of Oakland

3. Kettleman City and the PCB permit renewal application

4. Contamination, health emergency on the Laytonville Rancheria and

5. EPA malfeasance and lies
regarding Evoqua hazardous waste
incineration plant operating without
proper permits or environmental
review for over 26 years on Colorado

that threatens public health and our
environment
